Campus Crime & Security Report 2023

To Students, Faculty, Staff, & Others:

We have recently completed our campus crime and security report as outlined by the U.S. Department of Education. We encourage and invite you to review the information. Our school's campus security policy is outlined below:

School Campus Security Policy:

We encourage all students, faculty, staff, and others - including student clinic clientele - to report any occurrence of crime which has occurred at our campus to a school administrator ***(School Director (*847) 673-7595)** as quickly as possible. It is our policy to take such action as specified below:

- The administrative staff at Estelle Medical Academy will listen to each case seriously and will determine the appropriate action including; notifying local law enforcement agencies.
- Secondly, we will take administrative action against any student, client, faculty, or staff member if the crime was committed by one of these parties against the other.
- Lastly, if the crime was committed by someone outside of this school against one of our students, clients, faculty, or staff members on campus we recommend that the individual contact a school administrator (listed above) so that we can take action against the individual ***(if the situation warrants it)*** to keep our campus safe and secure for all to enjoy.

We believe our campus location is safe and have had relatively minor past occurrences of crime. EMA does not tolerate the possession, use, and sale of alcoholic beverages, and illegal drugs on its campus. A copy of this report will be available in the Academic Affairs and Director's office for anyone that requests to review.
